

UAE Curriculum

High School Requirements:

- 80% Elite Track, 85% Advanced Track.

If Subject Proficiency EmSAT requirement is unmet, the following options will be accepted:

- Minimum score of 75% in Mathematics, and 80% in two subjects (Physics, Chemistry and Biology); or
- Pass the college admission test in Mathematics, Physics and Chemistry/Biology.

College Requirements:

*Pass the personal interview.

American Curriculum

High School Requirements:

- Grade 10,11, and 12
- Minimum overall of 85% in Grade 12

- If Subject Proficiency EmSAT requirement is unmet, the following options will be accepted:

- SAT 1 (Mathematics) Score of 555
 - SAT 2: any two of the science subjects (Physics, Chemistry and Biology) with score of 450 per subject
OR AP – Mathematics and two of the science subjects (Chemistry, Biology, and Physics) Score of 3 per subject; or
 - Pass the college admission test in Mathematics, Physics and Chemistry/Biology.
- Equivalency from the Ministry of Education in UAE

College Requirements:

- *Pass the personal interview.

British Curriculum

High School Requirements:

- Completion of Grade 12 (Year 13).

- If Subject Proficiency EmSAT requirement is unmet, the following options will be accepted:

IGCSE/GCSE (5 Subjects): (Mathematics, Biology, Physics, Chemistry, English) Grade of (5,6,6,6,5)

- GCE AS or A level (2 Science Subjects); or

- Pass the college admission test in Mathematics, Physics and Chemistry/Biology.

-Equivalency from the Ministry of Education in UAE

College Requirements:

*Pass the personal interview.

International Baccalaureate (IB) (Diploma)

High School Requirements:

- Completion of Grade 12. Passing a total of 6 subjects in Standard or Higher levels. -Minimum total score 28 of 45 points.

- If Subject Proficiency EmSAT requirement is unmet, the following options will be accepted: A minimum average of 5 in three of the following subjects (Physics, Chemistry, Biology, Mathematics) in HL. The grade of any subject shall not be less than 3; or

- Pass the college admission test in Mathematics, Physics and Chemistry/Biology.

-Equivalency from the Ministry of Education in UAE

College Requirements:

*Pass the personal interview.

Indian / Pakistani (CBSE/HSSC)

High School Requirements:

- Completion of Grade 12, and obtaining. Higher/Senior Secondary Certificate. Minimum overall of 75% in Grade 12. Subjects must include (Mathematics, Physics, Biology, and Chemistry).

- **If Subject Proficiency EmSAT requirement is unmet, the following options will be accepted:** A minimum average of 70% in Mathematics and 75% in two of the following subjects (Physics, Chemistry, Biology) in HL; or
- Pass the college admission test in Mathematics, Physics and Chemistry/Biology.

-Equivalency from the Ministry of Education in UAE

College Requirements:

*Pass the personal interview.

School Certificate (WASSCE)

High School Requirements:

- Completion of Grade 12. Minimum of seven subjects with an overall grade of B3. Subjects must include (Math, Physics, Biology, and Chemistry).

- If Subject Proficiency EmSAT requirement is unmet, the following options will be accepted: A minimum average of 75% (or equivalent) in Mathematics and two of the following subjects (Physics, Chemistry, Biology);
or

- Pass the college admission test in Mathematics, Physics and Chemistry/Biology.

-Equivalency from the Ministry of Education in UAE

College Requirements:

*Pass the personal interview.

French-Patterned Educational Systems

High School Requirements:

- Completion of Grade 12. Minimum score of 13 out of 20. Subjects must include (Math, Physics, Biology, and Chemistry).

- **If Subject Proficiency EmSAT requirement is unmet, the following options will be accepted:** A minimum average of 65% in Mathematics and two of the following subjects (Physics, Chemistry, Biology); or

- Pass the college admission test in Mathematics, Physics and Chemistry/Biology.

-Equivalency from the Ministry of Education in UAE

College Requirements:

*Pass the personal interview.

Iranian Curriculum

High School Requirements:

- Completion of Grade 12. Minimum score of 17 out of 20. Subjects must include (Math, Physics, Biology, and Chemistry).

- **If Subject Proficiency EmSAT requirement is unmet, the following options will be accepted:** A minimum average of 70% in Mathematics and two of the following subjects (Physics, Chemistry, Biology); or

- Pass the college admission test in Mathematics, Physics and Chemistry/Biology.

-Equivalency from the Ministry of Education in UAE

College Requirements:

*Pass the personal interview.

Other State Administered High School Certificates

High School Requirements:

- Completion of Grade 12. Minimum score of 85% or equivalent. Subjects must include (Math, Physics, Biology, and Chemistry).

- **If Subject Proficiency EmSAT requirement is unmet, the following options will be accepted:** A minimum average of 80% in Mathematics and two of the following subjects (Physics, Chemistry, Biology); or

- Pass the college admission test in Mathematics, Physics and Chemistry/Biology.

-Equivalency from the Ministry of Education in UAE

College Requirements:

*Pass the personal interview.
